## Temporary Requirements for Agency LPA Condominium Loans

Truist Bank (Truist) aligns with the temporary requirements for condominium projects announced in Freddie Mac [Bulletin 2021-38](#). These requirements apply to Agency Loan Product Advisor<sup>®</sup> (LPA<sup>SM</sup>) condominium loans and relate to the following:

- projects in need of critical repairs
- special assessments
- reserve requirement and additional reminders

With this communication, we provide information on Truist's effective date for these new requirements, including a purchase cut-off date.

Additionally, in order to assist with determining whether projects meet the new temporary requirements, we update the Truist Condominium Questionnaire form (COR 0216) to adopt Fannie Mae Form 1076/Freddie Mac Form 476 *Condominium Project Questionnaire* (including the December 2021 addendum).

### Effective Dates

The temporary requirements are effective for Agency LPA condominium loans purchased by Truist after January 28, 2022.

### Background Information

In response to concerns about aging infrastructure and projects in need of critical repairs, Freddie Mac Bulletin 2021-38 announced temporary condominium requirements regarding projects in need of critical repairs and projects with special assessments. Truist is implementing revisions to align with Freddie Mac's requirements. We are also imposing a purchase cut-off date to comply with Freddie Mac's delivery deadline.
