This summary of overlays is being provided as a reference tool for AUS (DU and LPA) processed loans; it is not intended to replace our detailed product standard documents. An "X" under a product column indicates that the overlay applies for that product. For complete product requirements and for overlays (denoted by an underline) that apply for traditionally underwritten (i.e., non-AUS) loan transactions, please refer to the applicable product description in the Correspondent Seller Guide.</i>		Products
